For all band and colorguard families!

How to Set up Calendar on devices.

KHS BAND CALENDAR The band calendar on the website is an important tool. The directors try to keep it as up to date as possible. You can sync this calendar with yours. When an event is added it will automatically add it to your calendar.

Syncing from your computer click on the + GoogleCalendar symbol at the bottom of the calendar. See below. It will then sync with your calendar.
